

RESULTS REPORT
CALGARY GIRLS' SCHOOL 2013

All results are in percentage RESULTS REPORT
CALGARY GIRLS' SCHOOL 2013

The purpose of the provincial achievement exams is for the school to analyze our understanding of the curriculum and to adjust our program delivery to ensure that our students are meeting with success.

The score for academic excellence fluctuates depending on the exam results of each student in the province. The score for excellence is determined by the performance of the top 15% of students in the province and the score for acceptable standard is determined by the results of the top 80% of students in the province of Alberta. The most effective analysis of a school's performance is to take a look at a school's five year results and look at the stability of the results. Five year results can be found on the Alberta Education Website.

This report provides the achievement standards for each exam written in June as well as the results for June 2012 and 2011 in blue italics. Grade 9 students did not complete their June exams because of the flood.

Our teachers have thoroughly analyzed these results as well as specific questions to continue to improve our practice and provide a strong program for our girls. Teachers meet in vertical curriculum teams so that we build a common program for our students in grades four through nine. We want to have a common language and practice throughout the years of learning at CGS, which strengthens understanding and deepens learning.

We are currently completing our AERR which will be posted on our website and will reflect our learning goals for the upcoming school year.

We will continue to support our girls in their pursuit of personal best and strength of curricular understanding

Provincial Results June 2013	Exam	School Result	Provincial Result	ESL	Special Education
Grade 6 Language Arts	Acceptable Standard	99 98.1 99	90.9 91 91.4	100 94.1	100 100
	Standard of Excellence	39 44.2 44.6	18 19.6 20.4	47.1 29.4	0 0
	Below Standard	1 1.9 1	9.1 9 8.6
