Volunteer Opportunity: External Member of Finance Committee for Charter School

The Board of Directors for the Calgary Girls School (CGS) is currently seeking an individual with financial acumen to join the finance committee. The incumbent must be able to participate in regular, quarterly finance committee meetings, as well as approximately two annual meetings with the Board's appointed Auditor. To ensure objectivity, the desired individual is not a staff member, nor a parent or guardian of a currently enrolled student at CGS. Ideally, the individual values, appreciates and supports girl-centred learning.

CGS is a public charter school for girls in grades 4 through 9. Since opening its doors just over a decade ago, the student enrollment has grown to nearly 600 and is located on two campuses.

The primary objective of CGS is to create an engaging and unique educational experience for girls and young women. CGS helps its students develop leadership and problem-solving skills, and a strong voice for issues that are important personally in their community and in the world at large. For more information about the Calgary Girls' School visit <http://calgarygirlsschool.com>.

All interested applicants should provide a cover letter along with their resume. A criminal records check is required of all volunteers and will be requested should the applicant be selected.

All members of the Board of Directors and external members of Board Committees serve as volunteers.

For additional information, please contact Ms. Natalya Nicholson, Board Chair at the following email address: board.chair@calgarygirlsschool.com
