

Background

Naming a school, a campus, or a portion of a campus is a matter that deserves thoughtful attention.

Procedures

1. The Superintendent or designate shall form a committee whose task is to recommend the name for a school, a campus or a portion of a campus.
2. The committee may have representation from the community at large, school administration, the teaching staff, parents and students.
3. The community at large may include representation from historical societies, senior citizens or other groups who may have an interest in being represented.
 - 3.1 Each representative group shall be limited to a maximum of two (2) members.
 - 3.2 The committee shall determine the process that will be followed in soliciting input in the naming process.
4. The names considered shall:
 - 4.1 Have significance for the students, parents and the community of the particular facility;
 - 4.2 Be easily identifiable with the facility;
 - 4.3 Not be in conflict with the names of other facilities; and
 - 4.4 Be appropriate in terms of copyright and trademark provisions.
5. Where possible, new facilities shall be assigned names before construction begins.
6. The Charter Board is responsible for approval of names of all Society-owned facilities.
