

Background

The Principal will ensure that practices and mechanisms are in place that will ensure the security of School campuses.

Procedures

1. The Principal, in conjunction with the Maintenance Supervisor, has the authority to develop, implement and monitor the buildings and grounds security plan to prevent vandalism, theft, and unlawful intrusion.
2. Annually, by the end of September, the Principal shall provide a copy of the plan to the Secretary-Treasurer.
3. The Principal is responsible for the distribution and collection of all keycards.
