

The Charter Board may appoint Directors to represent the Charter Board on various committees, agencies and organizations. Such representation is established at the discretion of the Charter Board to facilitate the exchange of information on matters of mutual concern and/or to discuss possible agreements between the Charter Board and other organizations.

The Charter Board will determine the terms of reference for each representative. The Superintendent may appoint resource personnel to work with representatives and shall determine the roles, responsibilities and reporting requirements of resource personnel.

The following committees/organizations may have Charter Board representation as identified and determined at the annual Organizational Meeting.
