Background

Calgary Girls Charter School (CGCS) has a number of educators delivering innovative teaching practices, and students undertaking projects that make a difference in their school and/or community. In order to recognize the hard work of these outstanding individuals, the Board of Directors of CGCS will allot time during seven (7) meetings per year for individuals or groups to come forth and share more about what they are doing.

Procedures

1. CGCS' Superintendent will extend invitations to educators who have created unique programs and teaching practices or students who have formed groups or developed projects that have had a positive effect in their classroom, school, and/or community. The Board Showcase will take place during the monthly meeting of the Board and is to run a maximum of 15 minutes, including question and answer time.
2. The Superintendent will distribute a questionnaire to the educator(s) or teacher advisor of the student(s) being asked to showcase their material or project to the Board. This form is then to be returned to the Superintendent two (2) weeks prior to the Board meeting. The information will be used to develop a memo that will be distributed to the Board the evening of the said showcase.
