

The Charter Board assumes responsibility to establish and provide appropriate levels of service for the transportation of eligible students.

Specifically

1. The Charter Board will facilitate transportation services to eligible students, in accordance with the Funding Manual for School Authorities, and in support of its philosophy of encouraging choice among schools.
2. Every effort is to be made to recover all transportation service expenditures through provincial transportation grants and student transportation fees.
3. Student transportation fees will be approved annually by the Charter Board.
4. Students eligible for transportation may qualify for financial assistance as determined by the Superintendent.
