Leadership Statement on Diversity and Inclusion

It is impossible not to recognize that inequity, discrimination and prejudice exist in society. At Calgary Girls Charter School we recognize that we are inhabiting challenging times that will take the very best of us, drawing upon our heads, hearts and our humanity, to make the world a better place. We are committed to providing environs that revere diversity, nurture a sense of belonging, and promote dignity, respect and equity of opportunity both within and beyond our school community through both what we teach and how we teach.

Education is key to empowering students to make a difference in the world. We are inspired by courageous, prophetic people who have marshalled intellect, heart, bravery and selflessness to pave the way for a more inclusive, safe and respectful world.

At CGCS, our values of achievement, courage, integrity, respect and community will continue to reinforce our culture that celebrates diversity and inclusivity; our values underpin our commitment to contributing to the betterment of our society for all people who have been impacted by racism, prejudice and discrimination. Calgary Girls Charter School remains committed to intentionally creating caring, respectful and safe spaces in our school, in our community and in our world. We are stronger together.
